Domino's record-breaking feat ysterof one of the grandest two-year-old that ever raced in this country. A yea ago rsemen were asking how much many calibre would win in a season. I an- Major Daly swer Domino appeared, and he fitres with something like \$180,000 in press and stakes. This is the largest sum ever won by a thoroughbred.

The other horses in the Messrs. Kene's string have won close on to \$70,0, so that the stable winning will for up very nearly a quarter of a millio doilars. This is truly an enormous sin of Per money for one stable to win Domino will now be retired. H has

earned a rest. His race yesterdal was a grand effort, considering the fac that he had up 128 pounds. Taral saidafter the race that had he ridden th coit from start to finish he could havenade the time at least three-quarters of second faster. Domino retires unbeats and with a giorious record. He has deated every two-year-old of note, save Shator Two Wheelmen Arrested on Com Grady, whom he never met.

Correction defeated Dr. Hasbrouk for the first time in her life yesterdy. It was a great day for the daught and son of Himyar and Mannie Gra, for Correction and Domino are broth and sister. Major Thomas, the breeer of the high-class thorougnbreds, mushave been highly elated when he receivil the news of these victories of Himyar get.
